

Emergencies

If you believe you are experiencing a medical emergency, please dial 911 immediately.

If you believe you are in labor, call the office or the physicians exchange. Go directly to the emergency room or labor and delivery of the hospital you plan to deliver at. (The hospital staff will notify your physician or physician on call)

Physicians Exchange— -316-262-6262

Heartland Women's Health—316-858-7100 (option 1)
