

## **CANCELATIONS**

Heartland Women's Health does not require a 24 hour cancellation notice. We believe it would be unfair to you, as our physicians can not give 24 hours notice when they need to leave on a delivery. However, we do ask that should you need to cancel or reschedule your appointment, contact us as soon as possible, so that we may predict our physician's schedules for the day.

Should you not call to cancel or reschedule your appointment, you will be marked as a "no show". Patients that "no show" their appointment 3 times may be subject to dismissal.
